

Small or Mixed Animal Associate Veterinarian

Looking for a fresh start? Rediscover your passion for healing animals and building relationships with clients in a fun and friendly atmosphere. We enjoy an environment of collaboration and intellectual growth where learning is encouraged with open, honest, and approachable management!

The Complete Care Hospital for Pets team is in search of a **Full-Time** or **Part-Time** Associate DVM to join the team in serving the community with quality veterinary care and authentic, genuine client service. This opportunity is ideal for new graduates, as we provide a structured mentor program! Candidates with the following knowledge, skills and abilities are encouraged to apply!

Qualifications

- Doctor of Veterinary Medicine (DVM) licensing by the NSVMA (or eligibility for licensing)
- Maintain a commitment to practicing the highest standard of medicine
- Remain focused on progressive, quality care AND client satisfaction
- An educational approach to client communication. The more our clients know - the better care they can take of their pets.

We would be pleased if you had any interest in exotics (rodents and pocket pets), backyard poultry, equine, or small ruminant medicine as these are areas where the practice can expand on services needed by the community.

Hours & Availability

The Complete Care Hospital for Pets team provides excellent care for pets - and their humans – from 8:30 am to 5:00 pm Monday, Tuesday, Wednesday, and Friday of each week, and from 8:30 am to 7:00 pm on Thursdays. Offering some staff, the ability to work four-day work weeks!

Candidates who are motivated by a work-life balance are encouraged to apply as we pride ourselves in ensuring you have time to enjoy what you love outside of work!

Pay & Benefits

A competitive compensation package will be designed to reflect your qualifications and the number of days/hours you are available to work. There is room for negotiation so let's talk!

In addition to competitive pay, other benefits include NSVMA and CVMA dues, liability insurance, medical/dental coverage, long term disability insurance, group RRSP with employer contribution, paid CE days and allowance, paid vacation, sick days, uniforms, and discounted pet care.

About Us

We are proud to be an **independently owned** two doctor mixed animal practice, predominantly consisting of a small animal clientele with some hobby farms and companion large animals. We have many of the amenities that larger facilities have, are fully computerized in every exam room and are mostly paperless using Avimark. We are also excited about our newly renovated facility offering four exam rooms!

We offer a small hometown feel with an exceptional team that will go the extra mile for the doctors, our patients, and the clients. They are truly passionate about their role. We love building relationships with our clients, and it makes us proud to hear them rave about how well we take care of them!

How to Apply

Opportunities to join this great team do not open often. Don't miss your chance to work in a place that truly values and recognizes your contributions. Apply by submitting a copy of your resume through this ad today!

If you are selected to participate in the interview process for this position, we will notify you via the email address provided in the application process. Please be sure to monitor your junk mail folder to ensure you receive communication from us!
